Red Safety Day: Raising awareness for personal & home safety

Thank you to our special visitors from NSW Police (Wendy Hudson, Mick Aldridge and Mick Dietrich) as well as Fire & Rescue NSW (Les King, Gaven Muller and Laurieton staff) who attended our school to alert children to the dangers that they may face out and about, and around the home. The morning started with a fire simulator demonstration in which the whole school witnessed the dangers of fire in the kitchen and what to do. This was followed by group sessions for Kinder, Stage 1, 2 & 3 students and of course a squirt of the fire hose! The personal safety talks given by members of our local Police highlighted the importance of being aware of what is going on around you, what to do if you see someone suspicious and how to react should a situation arise....
“Prayer for Protection”

The Light of God surrounds me.
The Love of God enfolds me.
The Power of God protects me.
The Presence of God watches over me.
The Mind of God guides me.
The Life of God flows through me.
The Laws of God direct me.
The Power of God abides within me.
The Joy of God uplifts me.
The Strength of God renews me.
The Beauty of God inspires me.
Wherever I am, God is!
